

Congratulations Cornerstone Regional Hospital!

On October 20, 2010, HealthGrades announced the 2011 hospital quality ratings. Cornerstone Regional Hospital (CRH) was ranked as the best hospital in our community for Total Knee Replacements and is also a recipient of the HealthGrades Joint Replacement Excellence Award. Dr. Marquez is a proud member of CRH's Medical Staff and performs ninety percent of the total joint replacement surgeries. "This is a proud moment for us," Dr. Marquez comments. "Our outstanding clinical staff work efficiently to deliver quality care for all patients. They deserve a lot of the credit."

The *Thirteenth Annual HealthGrades Hospital Quality in America* study analyzed the nation's 5,000 nonfederal hospitals using hospitalization records obtained from the Centers for Medicare and Medicaid Services. The study identified national and state-level trends in hospital care and established quality ratings for each hospital, across 26 different procedures and diagnoses. You can find this information, along with the rating methodology and how other local hospital ranked at www.healthgrades.com
