in Edinburg. Our
tenured staff, Rachel,

Thank you Dr. Marquez & Dr. Parra!

Carmen, Deyla, Patty, and Gloria, were honored. Thanks to all who helped coordinate this special evening. Thank you Dr. Marquez and Dr. Parra for your kindness!

Welcome on Board!

We are pleased to welcome several new members to our staff. As our Physician Assistant, Frank Rodriguez assists Dr. Marquez in both the clinic and in the surgery room. Carmen Cantu, Mary Rodriguez, and Delia Lara are part of our Business Office; and George Rodriguez is on board as a tech in our X-Ray Department. The addition of these new members will help us serve you better.

Financial Policy

It is our intention to offer the best medical care to our patients. We understand that at times balancing the cost of quality care with financial concerns may be difficult. However, we will work with you so that you can receive the care you need without creating a financial burden.

For patients with healthcare insurance: Please provide us with the most up to date insurance information. If you have a co-pay due with office visits, the CO-PAY IS DUE AT THE TIME OF CHECK IN. Co-pays are made with office visits only, regardless of the exact charges on that day's visit. All charges will be filed with your insurance carrier. Any remainder balance on your account will be billed to you in the form of a monthly statement.

If we do NOT participate with your insurance plan, please speak with our Business Manager, Patty Carrion, before services are rendered.

Medicaid Patients: Please present the most recent copy of your Medicaid coverage with EVERY office visit. Effective September 1, 2005, All Medicaid patients must have a written referral from their Primary Care Physician (PCP) in order to be seen.

For patients without healthcare insurance: We have developed a sliding scale that provides discounts on our services depending on the Guarantor's household income. Please contact our Business Manager for more information.
